I have prepared the M Phil thesis on ‘ Economic Study of Tribals of Poshina Taluka’. Apart from this I have also published research papers and books informing about the real socio-economic and cultural conditions of the tribals of Vijaynagar and Poshina districts.

The title of my Ph.d thesis is 'Role of Tourism Industry in the Development of Tribal Area with Special Reference to Sabarkantha District.' I completed my Ph.d from Hemchandracharya North Gujarat University, Patan in 2022. The main purpose of my research was to bring awareness to the real economic and socio-cultural conditions of these tribal regions. I received a govt. grant of 4,00,000 Rs under Shodh project of Gujarat Government.

The striking output of my research is that a forgotten historical Brahmaji Temple of Khedbrahma got selected for the Khushboo Gujarat Ki tourism campaign of Gujarat Government.
